Join Our Circle of Caring

Riverside Foundation is a charitable not-for-profit 501(c)3 organization that provides the highest standard of care and a meaningful life experience for individuals with intellectual and developmental disabilities. Headquartered in Lincolnshire, Riverside Foundation offers a loving home environment at its residential facilities in Lincolnshire, Grayslake, Gurnee and Wildwood that meets the individual needs of over 100 special adults. Through Riverside Work and Activity Center (RWA) in Vernon Hills, 120 clients have the opportunity to develop skills and assume responsibilities for real-life work in an environment that emphasizes their individual goals and choices. Riverside is proud to be celebrating 42 years of service. Riverside Foundation is funded by Illinois Healthcare and Family Services, the Illinois Department of Human Services, the Riverside Foundation Women's Board fundraising efforts and *by corporations like yours*.

Sponsorship Opportunities

Riverside's Annual Gala is the largest, most fashionable fundraising event in Lincolnshire. It offers a number of high-impact opportunities for the corporate sponsor. Depending on the level of support, these may include:

- Exposure on the video display shown during the cocktail hour and evening
- Ability to hang a corporate banner
- Sponsor recognition sign at check-in/check-out table
- Program ads—from spreads and premium positions to fractional ads
- Corporate logo in slide show
- Featured placement of logo on Riverside's website
- Your promotional materials displayed on sponsor table
- A table for 10-20 employees and/or guests, depending upon your sponsorship

Local Impact/High-Income Demographics

As the corporate sponsor of *the* most well-attended fundraising gala event in Lincolnshire, this year on April 28, 2018 you'll be tapping into some of the country's most affluent consumers. Median household incomes are nearly **three times** the national average, while the median age for residents is **44.3** years and families (non-single residences) represent **84.2%** of the local population.

Demographics based on 2000 US Census Data
