**Honorary Board Member*

Dear Friends,

Thank you for reviewing the 2017 Riverside Annual Report. Our theme, *The Many Faces of Riverside*, introduces to you several of our residents and staff members that help to make up this vibrant and very active community. We hope you enjoy their testimonials about life at Riverside.

The past year has been the most challenging in many years as we enter our 10th year without an increase in our reimbursement rates. We all know the increases we experience in our personal lives in food, utilities, healthcare, leisure, home maintenance and all of the items we need to live. Riverside has

those same costs, in addition to our nursing costs and staffing costs. We are so thankful to all of our donors who help us weather the difficult times so that we may continue to provide needed services to our adults.

We completed our goal to open a third small group home and four gentlemen who had resided at our residential campus for many years, moved in February 2017 to our Greentree House. They are enjoying cooking their own meals, keeping their own home clean and learning about their neighbors and neighborhoods. With staff assistance, they have chosen to embrace a new lifestyle and we applaud their strength and choices.

We continue to make capital improvements at all of our sites. Our generous donors have enabled us to repave the parking lot, repair the roof and allowed us to develop a rehab exercise program. At one of our CILA homes we built a ramp to assist an individual with gait issues to help her maintain independence when entering her own home.

Every day I see the faces that remind me what a great team of people we have working together to help fulfill our mission of providing quality services and supports in a positive and caring environment. From our residents to our staff, family members, Women's Board, volunteers, Board of Directors and donors; all of you make a difference in the quality of life for many people. **Thank you for your support.**

Sincerely,

Deborah S. Rogers

The Many Faces of Riverside – *Embracing Our Residents and Staff*

Brian Austin
Residence & CILA

Brian loves living in Riverside Foundation's Kenwood House. Having moved to Riverside in 1983, he has been with Riverside for 35 years and recently moved into the group home. Some of his interests include watching a good horror movie and studying the science of the body.

Betty Hines – 15 Years
Program Assistant

"My daughter worked at Riverside and when she would talk about the clients' activities and events it always sounded so interesting. So here I am after 15 years. I love it."

Edward Myles, Jr. – 30 Years
Dietary Janitor and Cook

"I like working at Riverside because of the residents and the relationships I have formed with them. They are my family."

Barbara Neimi
Residence

Barb has been a client at Riverside for 41 years. Some of the activities she enjoys are Bingo and puzzles. She loves to go on community outings and spend time with her Riverside friends.

Jennifer Riggio – 12 Years
Qualified Intellectual
Disabilities Professional

"Every year we have an end of summer picnic dinner and dance out on the back patio. The staff members from various departments work hard that day to get the back yard set up for the residents to enjoy that evening. The last one we had, I remember walking outside and seeing everyone dancing and having such a great time. One particularly shy resident was up dancing, and looked like she was enjoying herself so much. It made me stop and smile. I stood there for a moment taking it all in. It was a great sight."

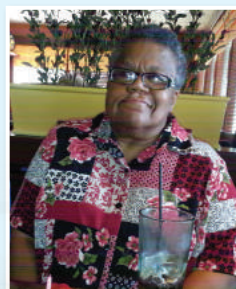

John Roth
Residence

In 2002, John joined the Riverside family. One of his favorite things to do is go bowling, though he doesn't like throwing a gutter ball. He attends church every week and enjoys helping others.

Kamal Saraina – 15 Years
Shift Supervisor

"I like working at Riverside because it has helped me develop and strengthen my leadership abilities. Also, I enjoy interacting and building relationships with the residents. Working at Riverside allows me to make a difference every day."

Betty Wilson
Residence

Betty moved into Riverside in 1976 and has lived at the residence for 42 years. She enjoys attending Special Hearts, word searches and arts and crafts. She also enjoys socializing with the staff. Every day when she gets home from work you can see her making her rounds being sure to visit with everyone.

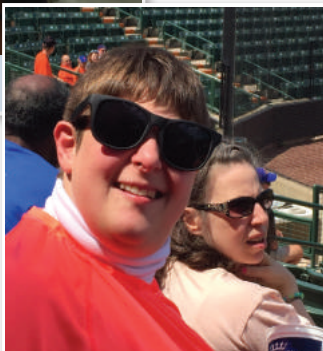

"Don't underestimate me. I know more than I say, think more than I speak and notice more than you realize."

Volunteer & Cathy Wruk (L to R)

Lauren Smith & Terri Simmonds (L to R)

Riverside Foundation is a vibrant special needs community for individuals with intellectual and developmental disabilities. Since 1976, Riverside has served and supported over 500 clients at our main residential facility and campus located in Lincolnshire, Illinois. At the residential facility, which is located next to the Des Plaines River in a tree filled setting, we focus on individual autonomy within an environment of professional care. Our program integrates social services, recreation, specialized therapies and medical services to meet our residents' physical, psychological and emotional challenges. We provide professional intake assessment, individualized habilitation plans, structured activities designed to increase functional independence, 24 hour-a-day nursing support and programming to increase daily living community skills & social skills. Social interaction is offered through an assortment of activities and experiences. Many residents enjoy some of our popular in house programs that include pet therapy offered by Lincolnshire Animal Hospital, computer time, holiday dances, arts and crafts, movie night and activity sessions with one of our volunteers. Residents have the opportunity to participate in community activities and enjoy trips to the Chicago Botanic Gardens, Ravinia, Lake Geneva, sporting events, summer camp, parks and Chicago museums. They enjoy outings to movies, restaurants, local coffee shops and stores and fitness programs at the Lincolnshire Club. Riverside Foundation offers the ability to build the resident's community while enhancing the development and independence of each individual.

Ensuring Our Future Circle

**Riverside Foundation
is announcing our new
planned giving program.**

Making a charitable gift to Riverside will help to ensure that the vital and compassionate services Riverside Foundation provides will continue for many years to come. Please join our Ensuring Our Future Circle and remember Riverside Foundation in your estate planning. For more information visit our website www.riversidefoundation.net or contact Deborah Rogers, Riverside's Executive Director, at 847-634-3973.

Community Integrated Living Arrangements

Over the past couple of years, Riverside Foundation has eagerly expanded its residential opportunities with the development of Community Integrated Living Arrangements (CILAs). The CILA is a family-like arrangement that provides a supervised and supportive living environment that addresses individual preferences, abilities and needs. Each individual has their own bedroom, plans and prepares their meals and participates in neighborhood living. The group home setting allows independent living with assistance from staff in a safe environment.

The Kenwood House

We are happy to report that Riverside currently has three group homes. Two of our homes, The Kenwood House, which opened in 2015, and The Greentree House, which opened in 2017, are each home to four gentlemen. The Harvey House, which opened in 2016, is home to four women. In the future, Riverside hopes to continue to expand by opening other group homes.

Ken Marohn

Alan Schackney & Brendalyn Ayers

The Harvey House

The Greentree House

It is a pleasure to see the joy and the pride on the residents' faces as they speak of their new home and accomplishments. Several of the residents work at Riverside's Work and Activity Center and several of the residents have transitioned to working in the community. Recently, three men went through a Goodwill training program and now work in the kitchen at Great Lakes Naval Base in North Chicago. They are thrilled with the opportunity.

Riverside Foundation Work and Activity Center

Riverside Foundation's Work and Activity Center (RWA) has been an important part of Riverside since 1986. It enriches the lives of our residents and offers the opportunity to develop skills in an environment that emphasizes individual goals and choices. Clients learn functional interdependence in an environment that stresses good work habits and specific job skills. RWA serves businesses, municipalities and organizations. KSM, ITW, Total Promotions, Purdy Projects and CPA Chicago are some of our customers. The services Riverside provides are bagging, collating, labeling, light assembly and disassembly, packaging and sorting. Our clients, with intellectual and developmental disabilities, participate in meaningful activities and programs that promote personal pride and independence.
